Drake One Fifty

150 York Street Tel: (416) 363 6150

Drake One Fifty, another popular dining destination in Toronto's bustling financial district, is slicker and sleeker than its trendier sister restaurant in the [Drake Hotel](#) on Queen Street West but equally appealing. Drake One Fifty's smart decor in green leather and chrome with black and white tiled floors is attractive as the hearty menu. We tucked into tasty suckling pig and crispy cauliflower with black garlic dressing and finished with apple pie and bitter almond ice cream.
